

Welcome to Ishida Dog Training School

Professional Dog Training with Over 40 Years of Experience

At Ishida Dog Training School, we believe that every dog has the potential to become a well-mannered and confident companion. With more than 40 years of professional experience, we provide personalized training programs designed to strengthen the bond between dogs and their owners.

Whether you have a new puppy, an energetic adolescent dog, or an adult dog with behavioral challenges, we are here to help.

About Us

Ishida Dog Training School has been dedicated to helping dogs and their families for over four decades. Our training focuses on trust, patience, and clear communication rather than harsh methods.

Every dog has a unique personality. We carefully evaluate each dog's temperament and create an individualized training program that produces lasting results.

Our mission is to help owners enjoy happy, safe, and rewarding lives with their dogs.

Our Services

Puppy Training

Give your puppy the best possible start in life by learning:

- House training

- Socialization
- Basic obedience
- Walking on a leash
- Good manners at home

Basic Obedience Training

Suitable for dogs of all ages.

Training includes:

- Sit
- Down
- Stay
- Come
- Heel
- Leave it
- Proper behavior around people and other dogs

Behavioral Training

We help solve common behavior problems, including:

- Excessive barking

- Separation anxiety
- Aggressive behavior
- Fearfulness
- Poor recall

Each training plan is customized to your dog's specific needs.

Board and Train Program

Dogs stay at our training facility while receiving daily professional instruction.

This program is ideal for busy owners or dogs requiring intensive training.

Owners receive guidance before returning home, so training continues successfully.

Private Lessons

One-on-one instruction is available for owners who wish to participate directly in the training process.

Lessons can be tailored to your goals and schedule.

In-Home Training

We also offer training at your home to address behavior in your dog's everyday environment.

This is especially effective for:

- Excessive barking
- House manners
- Visitor greetings
- Daily routines

Our Training Philosophy

We believe successful training is based on:

- Trust
- Consistency
- Patience

- Positive communication
- Clear leadership

Training is not only about teaching commands—it is about building a lifelong relationship between owner and dog.

Why Choose Ishida Dog Training School?

- Friendly and professional instruction
- Support for both dogs and owners
- Focus on long-term success

Frequently Asked Questions

How old should my puppy be before training?

Puppies can begin learning basic manners and socialization as early as two to three months of age.

Can older dogs be trained?

Absolutely. Dogs of any age can learn with consistent guidance.

How long does training take?

The duration depends on your dog's age, temperament, and training goals. We will recommend the most suitable program after an evaluation.
